

Job Description – Plumbing, Heating and Gas Engineer

Working with us:

ck4 limited was established in 2013 and is locally owned and operated. We are based 10 miles from Peterborough and provide our services predominantly within a 50- mile radius. Our main work consists of commercial installations and refurbishments, maintenance, industrial installations and PPM work.

Our Core Values:

Quality – because quality workmanship matters.

Integrity – we do what we say and strive to do more.

Partnerships – lasting partnerships that are built on trust, reliability and commitment.

Family – our ck4 family is built on togetherness, support and pride in our work.

Job title:	Plumbing, Heating and Gas Engineer
Department:	Mechanical
Location:	Multiple sites generally in Cambridgeshire, Lincolnshire, Leicestershire and Northamptonshire.
Reports to:	Mechanical Contracts Manager
Direct Reports:	None

Job summary:

Providing support to the Mechanical department and the Facilities department when needed. Good attention to detail and an eye for quality over quantity are required. This role would ideally suit somebody with a commercial/industrial background who holds their City and Guilds NVQ Level 3 diploma in plumbing and heating as well as their Commercial Gas qualification.

Key responsibilities:

Gas, plumbing and heating installations in-line with current regulations and legislations.

Carrying out remedial repairs, undertaking PPM maintenance and refurbishment works.

Processing relevant documentation ensuring installations are completed in a timely manner.

Inspection and testing within new and existing installations, recording results with the completion of appropriate test certificates.

Attend training as and when required to continue your development in the role and comply with changes within the mechanical industry.

Good communication skills are required for regular liaising with clients.

Mentor apprentices as and when required.

Hours:	8am – 4.30pm Monday to Friday
Pension:	Auto-enrolment in The People’s Pension
Holiday:	20 days per year plus Bank Holidays. Long service days accrue after five years to a maximum of 5 additional days.
Bonus:	Not applicable
Vehicle:	A fully expensed vehicle and fuel is provided
Workwear and PPE:	This is all provided

Qualifications and Experience:
